Dear Member-Guest Tournament Golfers:

On behalf of our entire staff, we would like to welcome you to the 2016 Coharie Country Club Member-Guest Tournament. We hope that this weekend will allow you a chance to relax and enjoy yourself in a friendly golf competition.

Please remind your family members and guests that they are welcome to utilize all of Coharie’s facilities throughout the weekend. Tournament guests and spouses are invited to attend the Social and Wine tasting on Friday night and the Dinner and Dance on Saturday night.

Please let us know if we may be of assistance. Thank you again for your decision to participate in the 2016 Coharie Country Club Member-Guest Tournament.

Sincerely,

Dickie Walters, PGA
Member-Guest

Format

The Member-Guest Golf Tournament consists of seven-flights of six two man teams. The flights are pre-determined by 75% adjustment of the individuals handicap to get a total team handicap. Each team will play a total of five nine hole matches within their flight to determine a flight winner. A shootout of flight winners will decide the Overall Member-Guest Champions.

Format – Nine Hole Match Play

The teams in each Flight are ranked by team handicap from lowest (1) to highest (6). The chart below outlines the matches for each round. Each nine-hole match will be conducted as Better Ball Net of the team using the “Nine Hole Adjusted Handicaps”. Each team will play all nine holes in each match to gain points. The team that accumulates the most points over the five marches will be the Flight Winners.

Scoring

Points are awarded as follows:
- Each team will receive ½ point for each hole halved.
- A team will receive 1 point for each hole won.
- The team that wins the 9-hole match will receive an additional bonus point. The bonus point will be split between any two teams that are tied after nine holes.
- A maximum of 10 points is available per match.

Handicaps – 75% of Full; 9-Hole Adjusted

A player’s handicap will be reduced to 75% in determining a tournament handicap. The player’s adjusted handicap will determine any shots the player will receive.

Tees

All players within a flight will play the WHITE tees unless noted. An adjustment will be made for players playing from the forward tees.

Ties

In the case of a tie between two teams, the tie will be broken by how you did against the team you are tied with. The first tiebreaker will be head to head. The second tiebreaker will be by total points on Friday. The final tiebreaker will be a chip off, pre-determined by the Club Professional, at hole number 9.
In addition, there will be a wild card draw for an eighth team to participate in the Grand Champion Shootout. The eighth team will be chosen on Saturday as follows:

- Most points on Saturday without winning their flight.
- Total points from all five matches
- Chip Off on hole 9

The winners from all fights, plus the wild card draw team shall qualify for the Grand Champion Shootout.

**Severe Weather**
In the event of severe weather, play will be suspended by the tournament committee. Each player must mark his ball in its position at that time. After play is halted the tournament committee will make a decision on time, remaining holes, and course conditions. The committee has the option to cancel or shorten tournament rounds if necessary. In the case of a Saturday rainout, Sunday’s play will be an 18-hole best ball net play with a shootout. In the case of a Sunday rainout, Saturday’s points count and will determine the Champion.

**Rules**
USGA Rules govern tournament play. The tournament committee reserves all rights to make changes to rules based on number of players and teams. The rules committee is Dickie Walters.

**Double Your Money Day #10**
Wager any amount between $10.00 and $100.00. If you hit the green, we’ll double your money in golf shop credit. If you miss the green you still get the amount you wagered in golf shop credit. Everyone is a winner! Note: If you wager $10.00 and hit the green, you still have to pay the $10.00 wager to receive the $20.00 golf shop credit.

**Hole 9 Shoot-out**
One shot to qualify for the 100-yard shoot-out. The closest five shots on Friday will qualify for the final shoot-out on Saturday at 1:30 p.m. For those that didn’t qualify on Friday, you have the option to pay $10 and enter a drawing for 5 more contestants to be able to compete in the shootout. Ten players will compete to win a cash prize.

**Prizes**
First, Second, and Third Place finishers in each flight will be paid with a gift certificate to the golf shop. First place is $400/team, second place is $300/team, and third place is $200/team.
Grand Champion Shootout

The Shootout will begin at approximately 2:00 pm on Saturday afternoon and will take place on Holes 1, 2, 8, and 9. The winners of all flights will be included in the Shoot-out, along with the Wild Card Draw team.

Shootout Rules

- The format will be alternate shot. Each player from their team will alternate hitting tee shots throughout the shootout. The player that does not hit the tee shot will be the player involved in the chip off, if needed.
- The handicaps will be adjusted for the alternate shot format. To determine the team handicap for the shootout we will combine both players adjusted handicap and divided by two to get an average. Then that total will be divided by two again to receive their nine holes adjusted team handicap (Rounded Up). Then will receive their shots on the appropriate holes.
- The two teams with the highest score will be eliminated on the first three holes, and the final two teams will play the last hole. If there is a tie for the highest score between teams, a chip off pre-determined by the Club Professional, on that hole will be used to determine which team advances to the next hole and tee.
- The remaining two teams after the third shoot-out hole will go to the final hole. The overall champion will be decided on Hole #9. In the event of a tie, the last hole will be played again until there is a winner.
- The Grand Champions will receive a Champions Watch donated by Sessom’s Jewelry and will split $700 in cash with the runner-up (60%/40%). The watch and shootout money will go to the winning team and is not part of the Calcutta.
