Rally 'Round the Flag, Coharians!

One of the benefits of hosting the annual Woodmen of the World golf tournament is on display at right.

Old Glory, the U.S. Flag, now waves proudly in front of our clubhouse – and it cost the club only a few dollars.

In a show of appreciation to our club, the Woodmen presented us with a 30-foot flagpole and an all-weather U.S. flag during a ceremony prior to the start of the W.O.W. superball tournament on April 17th.

Joe Walters, state manager for the Woodmen, and Larry Bell, the area manager, made the presentation.

The only cost to the club was the concrete which was purchased and poured for the flagpole's foundation.

Following the flag ceremony, a field of 20 foursomes set out to play the morning tournament, which was divided into three flights.

George Avery, Lee Ham, Craig Ham and Evan Taylor wound up with the best score, a 12-under-par 60.

Following a barbecue lunch, the afternoon group of 18 foursomes took off. The winning score of 13-under-par 59 was posted by a passel of Walters – head professional Dickie, W.O.W. state manager Joe, along with Craig and John.

According to Dickie, the event raised over \$8,000 for the Woodmen of the World's disaster relief

fund and its youth camp.

Golfers! Respect the Tennis Players!

We've gotta be careful or someone is going to be seriously injured. When tennis players are on the tennis courts do not hit range balls over the net. Restrict your shots to irons only, and if you are a particularly big hitter, use only irons that will not reach the tennis courts.

Randy Folger Named Course Superintendent

Randy Folger had an advantage over the other candidates who had applied to become the new course superintendent at Coharie CC. He was already serving as interim superintendent after the departure of Bob Jones, and club members could see that he was working hard to improve the look of our golf course.

Randy Folger

Thus, after interviewing several candidates, general manager Dickie Walters and the club's board of directors decided that Randy was the man for the job. He has officially been named our course superintendent.

Currently working on his Associates Degree in Horticultural Science at Sampson Community College, Folger has significant experience in golf course maintenance.

From 2005 to 2007 he was a member of the grounds crew at Cape Fear CC in Wilmington during that club's course renovation. He later worked for U.S. Lawns,

which provides residential lawn care, and was assistant golf course superintendent at Belvedere Plantation in Hampstead.

Randy has been a member of our golf course staff since 2007.
