Change in Tuesday Night Dining

Effective Tuesday, April 2, 2024, we will begin serving Dinner Specials as a plated meal on Tuesdays instead of the Dinner Buffet. We will also continue to have Thursday Dinner Specials.

While we understand members may be disappointed that we will no longer have the Tuesday Dinner Buffet, rising food costs and food waste has made this change necessary. You will continue to enjoy the same types of meals that were normally served on the buffet, such as hamburger steak, baked spaghetti, and the like. Tuesday dinner prices will range from \$14 to \$16.

Thank you for understanding the need for this change.

CMGA Reverse Drawing

The Coharie Mens Golf Association (CMGA) will hold its annual reverse drawing on Saturday, April 6 in the lounge. This is the day of the semi-finals of the NCAA basketball Tournament. Game 1 tips off at 3pm. We will do the drawing between games (approximately 5:15pm). If you have purchased a ticket we will have free heavy hors d'oeuvres (wings, sliders, tenders, chips, etc) and free draft beer. The bar will be open if you prefer other drinks. Come out and watch the games with us.

Turf Talk from the Superintendent

Coharie CC Members,

We are going to drain number sixteen green in April so we can continue to ensure its health and playability, as well as use it as a test green to determine if we should drain all of our greens with this technology for their health, but also their puttability, which will naturally allow the ball to roll faster because there will be less surface tension to reduce the roll speed.

Hopefully, one of our next purchases will be a sod cutter that we can have on site to start filling in some very longstanding bare areas of the course. I am not sure when this purchase will come but rest assured that once it does, we will begin to piece meal it together, starting on #16 ingress to the cart path at the end of the fairway. This area is a washout and needs to be rebuilt to withstand rain waters and runoff coupled with funneling cart traffic to the green.

We are borrowing a trailer from a very generous member to carry our aerator throughout the golf course to alleviate compaction, relevel some areas where the grass has been heaved over the years to regrow bare areas, relieve compaction such as #3, #4, #5, ingress areas from the tee boxes where carts have driven without mitigation for years. Those areas are very hard, and water has a difficult time penetrating to the rootzone thus continuing the compaction. Our goal is to relieve that compaction by physically removing the soil from the ground and utilizing those cores to fill in barer areas for growth.

The DR vacuum has been purchased and has already been in use, it works very well. The crux of this process is a dedicated wintertime project and not a mowing season project, although when we have time to use it during the spring/summer, we will capitalize on it.

We have begun the green topdressing plan and will ramp that up as the weather permits. We have weak areas on the back of #3 that we will be pushing hard to grow back in this season and continue to grow in bare areas from July/August 2022.

Mike,

Lifeguards

If your child is interested in being a lifeguard this summer (2024), you can print an application from the link on the CCC website. Just go to www.coharieecc.com (or search for Coharie Country Club) and click on Amenities. Then click on **Pool+Tennis**, and you will see the link for the lifeguard application at the top of the page. Applications must be completed and returned to me by Friday, March 29, 2024 so that I can then schedule interviews. I will not be accepting late applications.

IMPORTANT! Please let me know if you turn in an application (text or email me) so that no one's application gets lost in the shuffle. (That happened once before.) That way I'll know if I have everyone's application.

Lifeguard and CPR/AED certifications must be completed by May 20, 2024. Lifeguards cannot be scheduled to work until all certifications have been completed and turned in. The pool will open for weekends beginning on **Saturday, May 25**. If you have any pool-related questions, please call or text me (Richard Kimble) at (919)222-2645. You can also email me at rek22101@gmail.com. Summer is coming

Thanks,

Richard Kimble, General Manager

You can also print a copy of the application from the last page of this newsletter.
