Turf Talk from the Superintendent

Coharie CC Members,

I hope everyone had a Merry Christmas.

Near the end of January, we will be applying the spring/summer pre-emergent herbicide treatment to minimize spring/summer weeds from germinating. Richard will be reaching out the closer we get to those two days of spraying to direct golf cart traffic accordingly.

It is my hope that a spring resodding project will come to fruition so we can repair golf cart ingresses and egresses that have eroded, compacted over time. I am also working on the core aerifier so we can core plug our fairways, surrounds and tee boxes this summer, which will relieve the compaction and allow the hard packed grass to breathe, exchange oxygen and allow nutrients to the sub soil more efficiently.

The rest of December and all of January will entail tennis court cleaning, cart path edging, sprinkler head trimming, ditch line clearing and in general golf course beautification.

I hope each of you have a wonderful time with your families enjoying the holidays and embrace the excitement of a new year right around the corner.

Until then...

Fairways and greens,

Mike

Valentines Mystery Dinner Theater

“The ‘America Has Talent’ show has seen better days. The cast and crew are under stress or self-absorbed. Tonight is the season’s final show, and it features live performances by the final two contestants. During the final reveal, a contestant is found murdered. Everyone has motive and opportunity, but it’s up to the studio audience to determine who to arrest for the crime.”

Sound interesting? This the premise for the play “America Has Talent...and Murder” that will be part of Coharie’s Valentines Mystery Dinner Theater this year. It will be presented by Angela Martin and her acting troupe. This is one of the most attended events at Coharie and promises to be a ‘must see.’ The date is February 10 with a cocktail hour from 6:15-7:15 and dinner and show beginning at 7:15. There will only be seating for 100 so make your reservations early. Dinner will be by Chef Emily. The cost is \$55/person for members and \$65/person for guests. There will be more details in the February newsletter.

Annual Meeting

The annual meeting (formerly called the stockholders meeting) will be held on Monday, February 12 beginning at 6pm in the Coharie ballroom. We encourage all members to attend. Membership and finances of the club will be discussed. You are able voice any concerns you have at that time.

Monthly Statements

Monthly statements are sent on the 1st of each month and per our Bylaws, **payment is due by the 10th of that same month.**

Bank account drafts and credit card payments are processed on the 10th of the month and members paying by check or cash should make sure they send payment by the 10th of each month. *Timely payment by members ensures we are able to make timely payment to our vendors.*

Coharie Country Club's preferred payment for Member "house" accounts is automatic bank draft. We are encouraging members that are not currently utilizing bank drafts to contact the office to set this up today. Automatic bank draft benefits both members and the Club in the following ways:

***Set and forget** – Bank draft only needs to be set up once (unless you change bank accounts). There's no need to set payment reminders, log into internet banking to make a payment, write a check and hope the Post Office delivers it on time, or withdraw large sums of cash.

***In control and protected** – Statements are emailed to Members on the 1st of each month, but bank drafts are not completed until the 10th, giving you advance notification of the amount to be drafted. This also gives you time to challenge any charges on your account. You can also trust you're your bank account information is always secured.

***Better for budgeting** – As members of the Club, we are all invested in making sure our Club thrives. Your on-time payment ensures we are able to pay our vendors and staff on time. It also helps us manage our budget and plan future projects. Bank drafts can also help you budget since you know your payment will be drafted on the same date each month.

***Financial reward** – No fees are charged to members for bank drafts. However, the Club is charged fees of up to 4% for credit card payments. We work hard to keep costs and fees as low as possible, and using bank draft could help avoid the Club from implementing credit card processing fees.

***Avoid the hassle of late payment calls and emails** – Since bank drafts are completed on the 10th of each month, which is the monthly due date for account payments, you won't get called or emailed with reminders to make payments. That also means you are not at risk of being assessed late fees.

Members may contact the Bookkeeper at 910-592-6745 or Richard prior to the 10th of each month with any questions regarding your statement or to discuss any special circumstance regarding payment.
