2024 Mystery Dinner Theater

On February 10 Coharie presented its annual Mystery Dinner Theater. This year the play “America Has Talent... and Murder” was presented by Angela Martin and her acting troupe. Dinner included Prime Rib and Chicken Florentine prepared by Chef Emily. The studio audience was able to finally determine ‘whodunnit.’ As always, this is one the best attended events at Coharie. This year there were 115 people attending. We can’t wait until next year!

Annual Members Meeting

The annual members meeting (formerly called the stockholders meeting) was held on **Monday, February 12** with approximately 30 people in attendance. Randy Barefoot conducted the meeting with a discussion of the state of the club and the financials for 2023 and 2024. Here is short list of topics that were discussed.

- No dues increase for 2024
- No increase in food minimum
- The \$150 assessment will be the same as last year
- We currently have 207 members
- The broken floor tiles between ballroom and the bar will be replaced
- Insurance adjuster is working on our claim for storm damage to driving range nets, pool house, and deck lights
- The pool will need a new pump motor this year
- New board members are Karen Herring, Wendi Ferrell, and Yvonne Rackley

Lifeguards

If your child is interested in being a lifeguard this summer (2024), you can print an application from the link on the CCC website. Just go to www.cohariecc.com (or search for Coharie Country Club) and click on Amenities. Then click on **Pool+Tennis**, and you will see the link for the lifeguard application at the top of the page. Applications must be completed and returned to me by Friday, March 29, 2024 so that I can then schedule interviews. I will not be accepting late applications.

IMPORTANT! Please let me know if you turn in an application (text or email me) so that no one's application gets lost in the shuffle. (That happened once before.) That way I'll know if I have everyone's application.

Lifeguard and CPR/AED certifications must be completed by May 20, 2024. Lifeguards cannot be scheduled to work until all certifications have been completed and turned in. The pool will open for weekends beginning on **Saturday, May 25**. If you have any pool-related questions, please call or text me (Richard Kimble) at (919)222-2645. You can also email me at rek22101@gmail.com. Summer is coming

Thanks,

Richard Kimble, General Manager

You can also print a copy of the application from the last page of this newsletter.

Turf Talk from the Superintendent

Coharie CC Members,

I hope this email finds you all doing well! The spring pre-emergent has been applied and spot/broadcast post herbicide applications will be conducted in March in the very few areas that have broken through with broadleaf weeds and POA Trivialis/Rye grass from years of overseeding. Regardless of that overseeding process we will continue to stay on top of the weeds and keep them at bay. Proudly, our course is 99% weed free. The POA outbreak on the greens from

years past is currently mitigated with current pre-emergent and post emergent application processes and I intend to keep it that way.

We are moving forward with the purchase of the leaf vacuum that will attach to our zero-turn mower and once we receive it, we will begin to eradicate the pine straw and pinecone build up from the course. It is my hope that we can manage that piece yearly in the wintertime as a project and thus we will not need to do too much about it during the growing season.

Currently, there are plans in place to drain number sixteen green in March/April timeframe so we can continue to ensure its health and playability, as well as use it as a test green to determine if we need to drain all of our greens for their health, but also their puttability, which will naturally allow the ball to roll faster because there will be less surface tension to reduce the ball roll speed.

One of our next purchases will be a sod cutter that we can have on site to start filling in some very longstanding bare areas of the course. I am not sure when this purchase will come but rest assured that once it does, we will begin to piece meal it together.

Spring will be here sooner than later, and we are ready to embrace it. Day by day, week by week, Coharie CC is getting better and better, not only from a playability standpoint but also from an aesthetic standpoint.

Until then...
