Twilight Golf

Coharie Country Club
May 14 - July 2

Over the years, the Twilight League has been one of the most popular and well supported events at Coharie Country Club. The 2024 edition will begin on May 14 and run through July 2. The format is for a male and female partner playing either 2 person or 4 person captain's choice (Richard will choose the format for each week). If you do not have a partner, please let Richard know and he will try and help find one. It is a great time of fun and fellowship. If you choose, dinner service will be available after play. This will be one of our best social events of the year. Here are some pictures from last year's event:

Coharie Days of Summer

Coharie Days of Summer will be June 10-13.

We have moved it up this year trying to avoid the extreme hot weather that we have had in the last few years. CDOS is Monday through Thursday from 9am until Noon. We will be teaching the kids tennis, golf and swimming. The kids will be split into groups by age when they meet at the pool by 9am. Their groups will stay with their instructors for 45 minutes and then shift to their next event. The kids will be ready for pickup at Noon each day. Please fill out the forms and return them by May 30. Any forms turned in after this date will not be guaranteed a shirt. If you would like to help with CDOS please contact Richard to see where you can be of assistance. This is open to members, kids and grandkids and their guests. The cost is \$75 for members and \$100 for non-members. We hope to have another great turnout for the event.

Please see pages 11 and 12 of this newsletter for the registration and medical release forms. You may also get them online at www.cohariecc.com/cdos

Club Championship

The Club Championship will be held at Coharie on June 1 & 2. There will be an Open division, a Senior division, and a Super Senior division with gross and net winners in each division. The number of flights in each division will depend on the number of players. The cost is \$60. Please call the pro shop and sign up as soon a possible so Richard will know how many players to plan for.

Turf Talk from the Superintendent

Coharie CC Members,

As discussed in the April newsletter the drainage of sixteen green was initiated on April 16th and completed on April 17th. From my perspective, it seems like a month ago. What we can expect from this drainage project, more consistent moisture levels across the green at all depths. Consistent moisture allows for a healthier root system, more efficient nutrient uptake, and a much more consistent ball roll and in general a much healthier green that will have a much better chance of battling the current shade issues. Only time will tell if the drainage was the total answer or a major contributor to the answer. Our primary goal at this point is to grow the root system deep once again as it was severed at approximately one inch below the surface. This re-rooting has already begun and is moving along well. I mowed the green yesterday, the 25th for the first time and the green firmness was obvious, initial success. The areas that were re-sodded will take time to even out where it will be seamless and blend in with the rest of the green, but we have already started to chemically treat it with growth regulator, fertilizer, and fungicide to enhance that process and help to keep it fungus free as we move into the more consistent weather patterns. I ask that if your ball comes to rest onto the sodded areas on sixteen green or number six green, please remove the ball and take appropriate free relief per USGA guidelines, these areas are ground under repair. Please be careful when repairing ball marks on the newly planted sod. Please do not pull the roots up, they are very tender right now.

One of our next purchases (in the process) will be a sod cutter that we can have on site to start filling in many longstanding bare areas of the course. This process is best performed during the growing season for obvious reasons, and it is our goal to repair as many of those areas this growing season.

In May our verticutting/coring processes will begin on the greens but also the front of #2 green collar, right/left side of #6 to assist in promoting the spread of the Bermuda stolons to cover a few bare areas. The pull behind aerator for the tractor will be in use this year as well as our core aerator walk behind to alleviate many compacted areas on the course, which will benefit the grass at many levels but mostly the health and vitality of the soil/grass.

Mike,

Lifeguards

If your child is interested in being a lifeguard this summer (2024), you can print an application from page 10 of this newsletter or from the link on the CCC website. Just go to www.cohariecc.com (or search for Coharie Country Club) and click on Amenities. Then click on **Pool+Tennis**, and you will see the link for the lifeguard application at the top of the page. Applications must be completed and returned to me by Friday, May 17, 2024 so that I can then schedule interviews. I will not be accepting late applications.

IMPORTANT! Please let me know if you turn in an application (text or email me) so that no one's application gets lost in the shuffle. (That happened once before.) That way I'll know if I have everyone's application.

Lifeguard and CPR/AED certifications must be completed by May 20, 2024. Lifeguards cannot be scheduled to work until all certifications have been completed and turned in. The pool will open for weekends beginning on **Saturday, May 25**. If you have any pool-related questions, please call or text me (Richard Kimble) at (919)222-2645. You can also email me at rek22101@gmail.com. Summer is coming

Thanks,

Richard Kimble, General Manager

Pool Opens

The pool will open for the season on May 25. Come out for a dip.

It will be open from 11am-8pm on that day

Change in Tuesday Night Dining

Effective Tuesday, April 2, 2024, we will begin serving Dinner Specials as a plated meal on Tuesdays instead of the Dinner Buffet. We will also continue to have Thursday Dinner Specials.

While we understand members may be disappointed that we will no longer have the Tuesday Dinner Buffet, rising food costs and food waste has made this change necessary. You will continue to enjoy the same types of meals that were normally served on the buffet, such as hamburger steak, baked spaghetti, and the like. Tuesday dinner prices will range from \$14 to \$16.

Thank you for understanding the need for this change.

CMGA Reverse Drawing

The Coharie Mens Golf Association (CMGA) held its annual reverse drawing on Saturday, April 6 in the lounge. The food was prepared by Chef Emily. The turnout to watch NC State was tremendous. The money raised will be used to fund projects on the golf course. Congratulations Trey Fetterman for being our winner this year. Thanks to everyone who purchased a ticket this year. We are looking forward to 2025
